A M A R A

DESTINATION

Cyprus has a unique Mediterranean climate, enjoying 340 days of sunshine every year. Our island offers a mix of traditional charm, modern landmarks and natural beauty. The city of Limassol is located on the southern coast, offering both beautiful beaches in the summer and snowy scenery during the winter months. It is the perfect destination for all times of the year.

LOCATION

The AMARA is located close to the famous royal ancient Kingdom of Amathus. We endeavour to be worthy of our proximity to this revered archaeological site, known as the most significant ancient city kingdom of Cyprus, dating back to before Christ. According to mythology, the site was founded by King Kiniras and it is here where Theseus left the pregnant Ariadne to be cared for after the battle with the Minotaur.

A stone's throw from the busy cosmopolitan city of Limassol, the hotel caters to all manner of travellers, from the culturally curious carefree couple, or the fun-seeking family, to the business traveller in search of comfort and convenience.

DISCOVER THE AMARA

Named after the ancient Greek word Amarantos, meaning “everlasting”, the AMARA offers its guests an exclusive and unique experience that creates wonderful and permanent memories.

The AMARA’s graceful design, coupled with our dedication to service, ensure that this deluxe five-star hotel delivers on its promise of unparalleled enjoyment.

Each of our 207 rooms offers a clear 180° panoramic view of the Mediterranean Sea. The hotel provides carefully considered comforts that include a signature spa, restaurants run by Michelin-star chefs, an exclusive rooftop bar with breath-taking views, a grand Ballroom for special occasions and an impressive infinity-edge pool.

OWN THE HORIZON

ACCOMMODATION

Each room is meticulously conceived and thoughtfully designed to offer a unique way of life. The AMARA itself is designed to make you feel as if you own the horizon.

With comfort and convenience at the forefront of each guest's stay, all types of accommodation enjoy insulated flooring that ensures peace and quiet, atmospheric automated mood lighting, electrically motorised curtains, a wireless lighting control system and high quality variable speed cooling or heating.

The AMARA's design is inspired by the aesthetic and cultural heritage of Cyprus. Natural wood and marble vanity stations, woven benches, white shutter walls, blue watercolour-effect features, and sliding glass doors that allow for an abundance of natural light all unite to create a simple, subtle, and sublime sanctuary.

A selection of interconnecting Deluxe Bedrooms, spacious Junior Suites, Deluxe Suites, Duplex Roof-Top Suites with a private pool, and Seafront Bungalows, all make up the hotel's offerings. The standout two-bedroom AMARA suite spanning 230m² is the epitome of ultimate indulgence, featuring a spacious elegant terrace and a pool of 100m² overlooking the Mediterranean Sea.

DELUXE BEDROOM

Featuring smooth, modern lines, with curves and soft corners, the Deluxe Bedrooms have been conceived to evoke the gentle lapping of the sea on the shore below the room's private terrace.

The colour scheme has touches of powder blue, green, and off-white for serenity. The room's King-sized bed has driftwood-inspired side tables and a vanity chest, a chaise longue and a state-of-the-art smart TV (which can be paired with personal electronic devices). With an overall area spanning 45m², the Deluxe Bedroom offers a large en-suite marble bathroom, complete with a double washbasin, large bathtub, a standalone shower and a separate toilet. Additionally, we offer six specially soundproofed rooms that can provide you with that highly sought after sense of isolation.

Comprising one bedroom with an en-suite bathroom, and a separate living and dining space, complete with guest bathroom and shower room, the Junior Suites make for an elegant retreat from everyday life. At 80m², the Junior Suite is able to comfortably accommodate up to four guests, with a maximum occupancy of two adults, and two children collectively.

DELUXE SUITE (ONE OR TWO BEDROOM)

The AMARA's Deluxe Suites have either one or two bedrooms, with the combination of one Junior Suite and Deluxe Bedroom forming one apartment. They offer King-sized beds, a chaise longue and a state-of-the-art smart TV (which can be paired with personal electronic devices), as well as automated mood lighting.

These suites are the ideal choice for travelling families (with the one-bedroom suite accommodating up to three adults and one child, and the two-bedroom suite accommodating five adults and one child), or couples desiring sheer space for rest and relaxation.

Comprising a comfortable indoor space of 55m² and a terrace and a garden of 90m², this luxurious suite can accommodate two adults and one child, making it ideal for couples seeking a well-earned holiday rest.

The one-bedroom Seafront Bungalow indoor area measures 115m², features an en-suite bathroom, and a separate shower room, a beautiful living area and a host of state-of-the-art amenities. Complete with a large terrace and private pool, the Seafront Bungalow can comfortably accommodate up to three adults and two children.

NOBU MATSUHISA LIMASSOL

World-renowned Chef NOBU Matsuhisa and the AMARA have come together to set new standards in the culinary world of Cyprus. Matsuhisa Limassol joins the internationally-celebrated Matsuhisa Beverly Hills and nine other exclusive destinations around the world. With a Whiskey Bar for private events and a Teppanyaki Table, it offers a highly contemporary vision of Japanese cuisine, creating a gastronomic encounter between Asia and Latin America – two cultures very dear to the heart of NOBU himself.

The extensive and original menu of Matsuhisa Limassol offers a unique Japanese-Peruvian culinary experience with a bespoke array of NOBU's legendary signature dishes including: Salmon karashi su miso, Black Cod with miso, White fish dry miso, Rock shrimp tempura, New style sashimi and NOBU sushi and sashimi. A sophisticated menu of sake and exotic cocktails, designed to blend perfectly with NOBU's culinary journey, complements all the dishes.

RISTORANTE LOCATELLI

RISTORANTE LOCATELLI is a revered, London-based, Michelin star restaurant headed by celebrity chef GIORGIO LOCATELLI. Locatelli opened its doors with a menu embodying the Italian spirit of conviviality, whereby the heart of cooking is defined as the enjoyment of quality food in good company. The menu offers an opportunity to discover the flavours of homemade pasta and delicious risotto, with impeccable twists confirming that even the simplest Italian dishes are all to die for; both in looks and taste. This experience is seasoned with one of the city's most romantic views of the Mediterranean Sea.

ARMYRA BY PAPAIOANNOU

The AMARA's open-air fish tavern is a charming space, sound-tracked by the sound of the sea gently lapping the shore. This is the vision and experience of Chef GEORGE PAPAIOANNOU and his brainchild, Armyra – a dedicated seafood restaurant which first opened its doors in Greece offering the freshest fish, seafood and many more culinary delights prepared with the region's purest ingredients.

THE DINING ROOM

International and Cypriot culinary culture is deeply woven into the fabric of the island's identity. Use of the freshest of seasonal ingredients unites with recipes passed down across generations to create openhearted food: an opportunity to share with friends and family. Order a traditional meze, sip on a glass of local Maratheftiko or Xynisteri wine, and experience the joy of our island life.

BREAKFAST

A healthy breakfast is a delight on its own, but when taken in idyllic surroundings, it is the guarantee of a beautiful start of the day.

From the aroma of freshly ground coffee and carefully baked breakfast delicacies, to the bustling continental air of the rich buffet and live cooking stations that provide wholesome “à la minute” dishes, the AMARA’s dedicated breakfast room, with nautically inspired light-features, has both indoor and outdoor seating. It is an uplifting space of calmness, decorated in quiet olive tones, with touches of wood: an inimitable way to start your day.
