

# COCKTAILS *Menu*

# BEEFBAR

## Signatures

Our new cocktail menu is driven by the creativity of our bartenders and inspired by Beefbar destinations around the world.

Our cocktails are classic and timeless, but above all, they are truly surprising creations that reflect the Beefbar identity and are perfectly paired with our dishes, especially our wide selection of Street Food.

Our selection evolves with the seasons, and our syrups and infusions are prepared with great care at Beefbar.
