

The AMARA is proud to announce that it is among the first hotels in the world to become Sharecare Health Security VERIFIED® with Forbes Travel Guide. The comprehensive facility verification helps ensure that guests and travel planners can book the AMARA with confidence as it fulfills the appropriate health safety procedures.

This verification comes with an easily identifiable “seal of approval” – the Sharecare VERIFIED® with Forbes Travel Guide badge – based on a hotel’s compliance with expert-validated best practices that minimize the risk and impact of COVID-19 and potential future public health events.

Developed by [Forbes Travel Guide](#), the global authority on genuine Five-Star service, and digital health industry leader [Sharecare](#), the comprehensive verification covers more than 360 standards across health and hygiene protocols, cleaning products and procedures, ventilation, physical distancing, the guest experience, and health safety communication with guests and employees. Hotels are required to verify their health protocols on an ongoing basis to ensure continued compliance with the most up-to-date global health standards.
